S. D. City Manager Says Council Will Consider Grove Annexation if Asked

"We would prefer Lemon Grove to incorporate," O. W. Campbell, San Diego city manager told the Lemon Grove Men's Club Friday.

"If you should decide to petition for annexation to San Diego the San Diego city council would again study the petition and decide at that time," he added.

Lee Sparks, chairman of the annexation study committee, acquired Campbell as the second speaker in the series his organization plans in the interest of resolving community government.

Campbell told the gathering that the city (S. D.) looks at costs, the same as Lemon Grove does. First, the community of Lemon Grove will have to decide what additional services they want. These, together with the cost of integrating the area into the city organization, would be the elements the city council would weigh, he added.

Campbell said that only that part of the area in the natural drainage slope would be considered for annexation.

"Our sewer system, for example, is engineered to handle the flow from the area sloping toward the city. Any additional parts brought in would obsolete the plant," he said.

County Fair Opens Friday

DEL MAR—The Southern California Exposition and County Fair, one of California's largest midsummer attractions, begins its 11-day run here Friday. Gates open at 9 a.m. each day.

Record crowds are expected to pour through exposition gates this year. A total attendance of 264,000 has been predicted by Paul T. Mannen, secretary-manager. Last year the fair attracted 251,491.

Heading the list of attractions on opening day will be a championship rodeo, national horse show and "Dancing Waters." The rodeo, a three-day event, will be staged in the grandstand area while the horse show will be held nightly through July 3.

"Dancing Waters," an unusual and colorful combination of lights, music and water will be making its second appearance at the exposition. The beautiful show will be held nightly each half hour for the full 11 days, starting at 8:30 p.m.

Some of the leading features after the opening day include Smokey Rogers' Western Caravan, June 26 and 30; Lawrence Welk and his television show, June 27-28 and July 4; Aut Swenson's automobile Thrillcade, July 2-3; and the California finals of the Miss Universe Pageant June 29.

Other entertainment included in the 85 cent admission price for adults and 25 cent charge for children will consist in part of a hobby show, festival of flowers, preview of progress, livestock show, junior fair, art show, armed forces displays, women's world, tropical fish exhibit, photography, gem and minerals and commercial exhibits.

Children will be admitted free on opening day. For the youngsters' enjoyment will be Don Diego's Super Circus, Bozo the clown and a junior midway.

Blonde Gay Cowie will reign over the exposition as "Fairest of the Fair."

Hospital Auxiliary Fair to Attract 'Everybody' Saturday

If any one of the more than 500 members of the Grossmont Hospital Women's Auxiliary is not participating in next Saturday's Country Fair — sponsored by the auxiliary, with Grossmont Hospital's landscaping the beneficiary—it is because she could not be reached by Mrs. L. F. Anderson, the chairman, or one of the fair committees. Everybody—but everybody!—is helping; including businesses and other friends of the hospital, who are donating a variety of items to be sold, displayed, or used as decorations. It will be truly a community affair, providing fun for all who heed the posters' jolly invitation. Heigh-ho, come to the Fair!

Games, movies, fish pond, candy, pop corn, hot dogs, pop—will provide plenty of amusement for the children.

The dance, 7 to 10 p.m.—with a spot of square dancing, a balloon dance with valuable prizes and music by "The Counts"—will be the main attraction for teenagers, at 50c donation, single; 75c per couple. Dance tickets will be good for admission, in-and-out, throughout the day, but not for the door-prize drawing.

Various booths will offer aprons, towels, and other handiwork; home cooked foods, preserves, jellies, condiments, and produce of the region. Drawings for valuable merchandise prizes, an heirloom quilt exhibit, card and palm readings, portrait sketching and silhouette cutting —and a buffet style plate dinner —will be other attractions offered.

This second annual Fair will be held on the grounds of Lemon Avenue Elementary School, 8787 Lemon Avenue, La Mesa, 11 a.m. to 10 p.m. Boy Scouts will take care of parking, under the chairmanship of Mrs. R. C. Adams, La Mesa.

The 25c admission donation is good for the door prize drawing, at which one need not be present to win.

RODEO PICTURE DEADLINE IS SATURDAY

Saturday is the deadline for turning in pictures taken at the rodeo, it was announced today by rodeo officials.

Prizes of $100 in savings bonds, donated by television channel 6, will be given. Winners will receive prizes from Ranger Hal during one of his daily programs next week.

Entries should be taken to Lemon Grove Camera, 7848 Broadway. Roger Johns is the judge.

Rodeo-Fiesta Labeled Success By Sponsors

"The rodeo was an unqualified success."

That's what Dr. Robert Swenson, president of the Lemon Grove Chamber of Commerce, said as he helped total up the receipts which indicate a profit of $1,000.00.

The same words were repeated by Father John McDonough, pastor of St. John of the Cross Church. He said the turnout for the Fiesta was "record breaking."

While it was the 15th time the annual event had been staged, it was the first time the chamber of commerce had part in it. Previously, church groups operated the affair as an entity.

About 5,000 persons saw the rodeo and an additional 2,000 took part in the Fiesta. More than 2,600 dinners were served from the ton-plus of beef which went into the giant barbecue.

The prize drawing was won by a fives name, Palomar Foods, 7 Thirty First Street. Charles Bennett, sales supervisor, was advised on Monday by a Review reporter that he had won the all expense trip to Las Vegas. He was so "floored" he had to call on the girl bookkeeper to take the details. The girl said that she thought Bennett would pass his prize on to one of the employees.

The rodeo event was exciting and satisfying for bronc busting fans. During the Saturday show only one rider out of eleven was able to sit out the bull ride. The steers were particularly vicious for this show. Observers said they had too much rest. However, only one rider was hurt, but as is the rule of the wild west, he'll recover in time for the next show later in the month.

Chairmen of groups handling both the fiesta and the rodeo asked that committee members and contributors be thanked for their cooperation.

Both the church and the chamber announced that the sixteenth edition would be unfolded next year, and that it would be bigger and better than ever.

Grove Man Gets Ten Pound Roast for Being Dad on Father's Day

Happiest new father and mother this year are the Richard Tomkiels, of 3552 Corona St., Lemon Grove.

For being the first dad on last Father's day, Tomkiel, 24, was presented with a juicy 10-pound prime rib roast by Mrs. William Tuloch of Pine Valley, representing the San Diego County Cow Belles. However, they were first by only five minutes.

The impromptu ceremony took place in the maternity ward of the Villa View general hospital last Sunday, before the startled eyes of Mrs. Tomkiel, who had just presented her ever loving husband with a bouncing 9 pound 7¾ ounce boy, Robert Allen, at 1:20 a.m. on Father's Day morning, thus being the first father on Father's Day, according to a check made by the Cow Belles.

The beef roast was presented because beef is the favorite for fathers everywhere, said Mrs. Tulloch, and her group would like to establish a new tradition —"Serve beef to Dad on Father's Day."

The parents who missed taking the roast by five minutes are William and Charlene Viereck, 2306 Golden Avenue. Charlene gave birth to a baby girl, Judy Lynn, at 1:25 a.m. at Donald Sharp Hospital. The girl weighed 8 pounds, 14 ounces. Viereck is an apprentice machinist at North Island.

Pool Bid of $60,000 Given

Representatives of the Paddock Pool Company told the Lemon Grove Swimming Pool Association that they could acquire a pool of 60,000 square feet, larger than the one at La Mesa, under a maximum bid of $60,000. This would include the pool, a wading pool, shelters, heat and filtration. The offer was taken to study. The sum does not include the locker or toilet areas, the association said.

The group is now seeking a two acre site to house the facility. There is about $6,000 in the treasury at present, according to Emmett Marshall, association president.

Mrs. Billie Merrill, church secretary and Mrs. Bob Rochelle, wife of the pastor of the Lemon Grove Baptist Church, reverts to dress of 100 years ago as the church eyes the "old time religion."

A return of "hell fire and damnation" preaching is paying dividends at the Lemon Grove First Baptist Church.

Bob G. Rochelle, pastor, turned back the prayer book 100 years recently and proved that "old time religion" is best. With many members attired in dress worn by churchgoers about a century ago, a program of old time hymns was presented with the old time sermon.

Here is the way it worked out in the words of pastor Rochelle:

The old time religious service, depicting the type of service it is believed our forefathers enjoyed, made the congregation rejoice in that all the hymns used for the service were written centuries ago and have been used in all non-Catholic churches for hundreds of years. Visitors could tell that hearts were warmed by the singing of these hymns.

The minister and choir dressed in old fashioned clothes, many of them being more than 100 years old. For the first time in over 20 years of active ministry the pastor and wife had presented themselves to the congregation in such attire. No special music was presented by the specially dressed choir but the heart beat of each one was felt by the many "amens" presented sermon, "The Old Time Religion."

This type of service was introduced because we feel that church members today need to be reminded of the religious practices of our forefathers. The day in which we live has been streamlined and changed so that hardly any time is given for worship. It is my candid opinion that we, as ministers and people, have drifted far away from the practices, beliefs and methods of the New Testament. Our mild 20 minute "sermonettes" have produced mild "Christianettes."

Tears once produced at the mourner's bench over conviction for sin and disobedience have ceased to be in the average church. Christian living has been made easy. The cost of Christianity has become negligible. Repentance and faith are barely mentioned.

What we stand in need of is more of the old time gospel preaching like Spurgeon, Moody and other ministers of former centuries gave us.

At the close of the service an invitation for those who desired to move their membership from other churches was given. Those feeling the need of becoming followers of the Lord Jesus Christ were encouraged to find their way to the "mourner's bench." Five members were added to the church membership during the day's services.

All those present closed the services and the day with a period of fellowship and warm handshaking and all went home happy knowing that they had experienced something they had been needing for a long time.

Crucial Meeting For Merchant's Division

There will be a meeting of the Merchant's Division of the Chamber of Commerce Monday at 7:30 at the Justice Court.

This will be the final meeting before putting the publicity program into effect.

Insurance Bids, Budget OK on School Board Agenda

Opening of bids for insurance for the elementary school will be held Monday at the regular board meeting. Fleet automotive bids will also be opened.

Further study will be made of the preliminary budget and it will probably be adjusted and adopted at the meeting. It will then go to the county school administration for further adjustment. It now calls for an expenditure of more than $900,000.

School board meetings are open to the public. Visitors and information seekers are welcome. The meetings start at 7:30.

A hobby show, containing 10,000 square feet, will be one of the features at the Southern California Exposition and County Fair at Del Mar, June 24 through July 4.

LETTERS TO THE EDITOR

Editor:

I enjoyed reading your last editorial immensely because it coincided with my favorite philosophy—"taxation on site value of land only."

It was enlightening to learn that the evils of our present system of taxation had contributed to the defeat of incorporation for Lemon Grove.

Why destroy the people's incentive to create improvement, often at personal sacrifices, by penalizing them? Why allow land speculators to hold valuable land sites idle and cause the public to unnecessarily build and maintain miles upon miles of streets, sewers and utility lines by vacant lots and unimproved parcels of land.

Why not eliminate the temptation for taxpayers to evade tax payments? Land cannot be moved or hidden, and assessed valuations are a matter of public record.

Why not greatly reduce the governmental expense of tax collecting by eliminating the hundreds of direct and indirect taxes that now strangle our economic system? Think! of the relief to businesses, large and small, if they were relieved of the burden of tax collecting. Essentially, any taxes imposed upon them places them in this position, for they have no choice but to pass the taxes on to the consumer. The benefits resulting from this tax relief would be passed on to the consumer by economic competition; the American way of doing business.

All of the above mentioned questions would never need to be answered if all taxation were gradually shifted over to the full site value of land.

Lemon Grove Lumber Co. Sells—Former Employee Buys Partnership

Sale of the land-mark Lemon Grove Lumber Company was announced this week.

The 40 year old firm was purchased by a partnership formed by one of the former employees, Henry E. "Hank" Lange, and Arthur D. Uecker, a real estate developer who lives in Spring Valley.

The firm was purchased from the partnership of Stephen Westover, Ruth Schulte and Ernest L. Sunbury. Miss Schulte will remain with the firm temporarily. Sunbury plans to retire to his ranch in Blossom Valley. Westover plans to do some writing for lumber publications.

Uecker is a developer of subdivisions. A 30 acre tract in El Cajon, Olive Manor, is under his development at present. He recently developed a 40 acre, 184 home tract east of National City. Uecker's son, Robert, will be associated with the firm.

"The centralized location, and the rapid growth of the surrounding area dictates the need for a functional, modern lumber firm. We intend to operate it as that," Uecker said.

Lange, who has been an employee of the firm for three years, has been in the lumber business 40 years. His son Jack will also be associated with the new organization.

Lange and Uecker will share equal partnership in the $100,000.00 firm. "We will continue to give good service and good quality at competitive prices," Lange said.

Lange was associated with the National Lumber Company of Chula Vista as manager for ten years. His son Jack has been with the Chula Vista firm 11 years.

Grove Girl Scouts, 112 Of Them, Taken to Knott's Berry Farm

Troop 552 was host to Troops 1184, 830 and 334 led by Mmes. F. Latulippe, People, and R. Hicks, on a trip last Saturday, June 18.

One hundred and twelve Girl Scouts, chaperoned by their leaders and Mmes. Pierce, Wolforth, Byrnes, Sawderski and Pat Smeltzer, met at the Monterey Heights Bakery that morning at 10 o'clock. The Goodall Bus Service of Lemon Grove, besides providing transportation for the girls and adults—and 112 bottles of pop, candy and cookies — had made all reservations for dinners at Knott's Berry Farm, where the girls enjoyed three fun-packed hours, and tickets to two TV shows in Hollywood.

The girls enjoyed the Fandango Show at 6 o'clock and then the Harry Owens Show at 7:30. (Harry Owens is sending each girl an autographed picture.)

At 12:30 a.m., after a wonderful evening, a most welcome sight was that of the long line of family cars parked along the starting area, with a parent waiting in each car to welcome home the weary but happy Girl Scouts.

GROVE MAN NAMED HEAD OF WASHINGTON U. ALUMNI

Frederick George Cheever, 7150 Broadway, Lemon Grove, was elected president of the Washington University Alumni Club of San Diego. Cheever is a history teacher in the San Diego High School.

Other new officers announced by Cheever are: Mrs. Harold J. Styles, Chula Vista, vice president; and Mrs. Frederick George Cheever, 7150 Broadway, Lemon Grove, Secretary.

Water Taxes Due Monday

Deadline for payment of the second half of 1954-55 taxes of the La Mesa, Lemon Grove and Spring Valley Irrigation District is Monday, June 27, it is announced by James L. Squire, tax assessor-collector of the district.

A five per cent delinquency charge will be made on any taxes not paid by that date. All delinquent taxpayers will be listed in the annual delinquent tax list publication, which will be published in a newspaper within the district in July.

Squire estimated that by July 1, there would not be more than five per cent of the taxes of the district still unpaid, and that by October this would be down to one and one-half or two per cent.

The Dimmer VIEW

By MAX GOODWIN

It was over the weekend that I got to contemplating the changing state of American bathrooms in general, mine in particular, and the bathroom medicine cabinet as a specific.

Maybe it's wrong to think of marital bliss in terms of these mis-named bathroom catch-alls, but it seemed to me, as I cogitated on the pressures and pleasures of our modern day living that our family existence is more closely related to medicine cabinets than I care to admit.

When my honeymoon was over and I carried by little 95 pound bride over the threshold, an act I cannot repeat currently only because I am considerably older and much weaker, I believed my medicine cabinet problem would be solved.

I come from a family of four children and two adults and as long as I can recall, we never had more than one medicine cabinet at a time. You can jolly well imagine how cluttered these devices became, especially when the kids reached the teenage stage of life. I recall that the hair oil with which I gave myself a daily generous head treatment (a possible reason I have need for none today) was always buried under face powder cans, hairpins, absorbent cotton, iodine and Lydia E. Pinkham's remedy.

The first few weeks in our honeymoon house was heavenly. My shaving equipment and lotion, together with corn-cure, aspirin and soda mint tablets occupied the bottom shelf. The little doll of a wife who had to stand on a chair to reach the upper shelves, had considerately put her moonbeam lotion, exotic perfume, hand mixed powder and the like, well out of my way.

That ideal situation slowly disintegrated. Item by item over the years, the lower shelf became the resting place for hobby pins, powder and oil for the babies, hair nets, half empty medicine bottles, and even some nails and screws. My place in the bathroom had been sequestered!

When we moved to a new house the other day I put my foot down. I turned life back practically a generation. My shelf would be the bottom one in the bathroom, I stated, and so it was. Fine little wife, I thought. Always gives in to make the master's existence even happier than she had already made it. However, I failed to reckon with tempus, and how fast it fugits. The shelf which I had cleared only a few days ago now housed a strange bottle, a bottle of hair lotion belonging to my first born. Here was the old cycle back at the starting point, the point where I had made the first insidious invasion into my parents' medicine cabinet many years ago.

FINAL SOCIAL SCIENCE CLASS TO BE HELD FRIDAY

The Reverend Jack Addington of San Diego is to be the special speaker at the final session of the "Social Problems" class to be held in the Golden Avenue School, Lemon Grove, on Tuesday evening, June 28 at 7:30 p.m. The public is invited.

The class has been under the auspices of the Henry George School of Social Science of San Diego and its leader, Everett J. Seeley of Chula Vista. Admission has been free and the use of Room 13 has been had from the Lemon Grove School Board at nominal rent.

Pete THE PRINTER

Four eighth grade students at Lemon Grove School are shown the importance of looking up numbers in the telephone directory by Margaret Darroch, classroom instructor. Left to right are Richard Hardy, Sandra Mayo, Nancy Wallhauser and Larry Peters. Over 8,000 students will receive this instruction in county and city schools this school year.

Parents also can learn a lot from a Telenonia course being taught their children in local elementary schools.

The course, which has become a regular part of the student curriculum, is a basis for correct dialing techniques and habits. Included are telephones for use in instruction, as well as county directories, pamphlets, film strips, and a 30 minute sound movie supplied by Pacific Telephone.

School instructors have found that students generally grasp correct dialing techniques rapidly.

Three steps to good telephone service are being taught. They are:

1. How to look up numbers in the directory.
2. Before dialing, jot the number down. With the number before you, you save time and the embarrassment of wrong numbers.
3. Listen for the dial tone, then carefully dial the first two letters and the numeral in the prefix, followed by the remaining four figures.

REPORT ON V.L.M. P-TA LUNCHEON

By MRS. H. K. THURSLAND

"Peu de Tribute Aimable" (A Bit of Kind Tribute) was the thought behind the planning for the luncheon honoring the teachers and staff of the Vista La Mesa School, which was held Friday in the French Poodle Cafe, better known to some as the Vista La Mesa Cafetorium.

The event is planned annually as a way of saying "thanks for a job well done," from the Vista La Mesa Parent-Teacher Association.

The transformation of the auditorium into the French Poodle Cafe was cleverly done, and a very frenchy atmosphere was obtained. Shocking pink and black predominated the color scheme. Dreamy, fairyland versions of French Poodles marched the length of the tables. These were crafted of styrofoam and ribbon with black sequined eyes and nose. Napkins and place mats were in shocking pink and carried the "Peu de Tribute Aimable" in black script. Individual menus presented both the program and menu in French, so that both were a surprise to most until they made their appearance. Small poodles fashioned of black chenille wire were at each place. These took on many animated shapes and were much the point of conversation and amusement.

Piece de resistance of the luncheon was the attractive salad plate prepared by the committee. No gourmet could have found disappointment with it.

The overall effect was beautiful, and those present who may in the future visit Paris and the French Poodle Cafe there, may be disappointed. The original is surely not any lovelier than the copy provided by the committee in charge.

The teachers honored were Mmes. Nobes, McCrackin, Burks, Hunt, Snell, Ritchie, Fountain, Harlow, Tait, Whaley, Schwalm. Also Miss Wise and Miss Pavlovec, Mr. Calderone, Mr. Masters and Mr. McGilvery. Clarence Allen, principal, introduced the faculty members.

Other invited guests were Miss Holmerud, school nurse; Miss Ramona Petersen, secretary; Mmes. Perkins and Knapp, cafeteria managers; Mr. Gee and Kevelin, custodians.

Also attending were Mrs. S. K. Solleder, retiring president of Mt. Helix Council P-TA; S. K. Solleder, assistant superintendent of Lemon Grove School district; Mrs. Krimsky, music supervisor and Mrs. J. P. Pfister, cafeteria supervisor, both of the Lemon Grove School District.

Mrs. Robert Brown and Mrs. Edward Joerns were the chairmen in charge of the event. Assisting with the decorations were Mmes. Ivan Arms, Wallace Simms and R. C. Alexander.

Serving were Mmes. Walter Schultz, Albert Kruse, Carl Planchon, John Mallow, Robert Frazier, Lloyd Nelson and Harley Thursland.

Jehovah's Witnesses To Attend World Assembly

Twenty delegates from the Lemon Grove congregation of Jehovah's Witnesses will attend an assembly at Los Angeles July 6 through 10. Edgar A. Flinn, presiding minister here, who will head the delegation, announced today that a total of 70 is expected to attend from the La Mesa, Lemon Grove and Spring Valley area.

Flinn described this assembly as one of a world sweeping series of 11 Christian conventions. "In 1953," Flinn pointed out, "we had one international gathering of ministers at Yankee Stadium in New York that drew a peak attendance of 165,629 from 87 lands. This year we hope our combined attendance will double that."

The cities in the United States and Canada named as convention sites are Chicago, Vancouver, B. C., Los Angeles, Dallas and New York. Those in Europe are London, Paris, Rome, Nuremberg, Stockholm and The Hague.

Arrangements are already under way to send over 4500 delegates from the United States and Canada to the European assemblies. Delegates from Latin America, Australia and the Far East will also attend Europe.

ALL-STAR FACTS

The All-Star Baseball game in Cleveland last summer netted a new high of $250,204.01 in net receipts, according to the Peoples Encyclopedia. Gross receipts were $292,678. Other new records achieved at the All-Star game included: 31 hits by both teams; 17 hits by the American league; 20 runs by both teams, 13 pitchers used by both teams; seven pitchers used by the Americans. The game marked the American League's 13th All-Star success against eight for the Nationals.

Grossmont High School Budget is $2½ Millions

Grossmont UHS District Board approved a tentative budget of $2,605,041 last week.

Of this amount $2,280,041 is tabbed for expenditures during the 1955-56 fiscal year with $325,000 carried in reserve funds.

The budget provided for an estimated 10.3% increase in enrollment while holding to a 13.2% increase in proposed expenditures. Some minor adjustments may be necessary before the budget is approved for publication in July and the final budget hearing in August.

Approval of contracts for five teachers completed the certificated staff for next year. A total of 203½ teachers, counsellors and administrators will provide the educational staff for El Cajon Valley, Grossmont and Helix Highs. The adult education program will be headed by John Davis, director and Harry Riley, principal. Salary increases of $400 for the adult education director and $360 for the principal of the adult school were approved.

LICENSE PLATE NEEDED ON FRONT, REAR OF CAR

Although you only need one tab plate on the rear of a car, the law requires regular license plates on both front and rear, the automobile club points out.

There has been a steadily increasing number of citations involving charges of a missing front license plate—mainly because of a misunderstanding of the law, a club legal department spokesman said today.

"We believe this confusion has apparently resulted from the issuance of only one tab plate for current registration, plus the fact that in some other states only one plate is required," he explained.

In the event that a driver has just one license plate, he should immediately apply to the Department of Motor Vehicles for a duplicate and thus avoid the risk of a citation, the spokesman said.

NEW PRESIDENT AT LEGION AUXILIARY MEETING

La Mesa American Legion Auxiliary No. 283 will meet Friday at American Legion Hall in La Mesa with newly elected officer Mrs. Julia Duley, presiding.

CARR'S CORNER

The 15th Rodeo is now a thing of the past. It was a fine show, everyone had a good time and is looking forward to a bigger one next year. The Chamber deserves a big hand for a great job, well done.

Clarence Milbrodt, our local artist, built a wonderful corral in the Piggly and you should see it before it is dismantled.

We local businessmen did our best to look like cowboys but most of us are too broad in the beam for the part.

Nobody tried to paint the town red, but many folks did a bit of touching up to make the town attractive to visitors.

Did you see our Pittsburgh Paint ad in this issue? We feel that the offer of credit should prove popular. We hope so.

Area housewives, who like to fly almost better than anything else, are planning to help bring nationwide fame to Lemon Grove when they take off July 2 from Long Beach in the ninth annual All Woman Transcontinental Air Race.

They are Mrs. Darline Sanders of 1526 Koe, Lemon Grove, owner of the silver and red, 90-h.p. Cessna, and Mrs. Dorothy Davis of 3356 Par Drive, La Mesa, who will fly along as co-pilot.

Mrs. Isabelle McRae, 7155 Mt. Vernon Street, who will pilot a Beechcraft Bonanza under the banner of McNeil Heating and Plumbing.

Her co-pilot will be Mrs. Betty McNeil of La Mesa. Mrs. McRae has over 1200 flying hours and holds a commercial pilot's certificate. She served as a WASP during the war and later as a Flight Nurse with the Air Force. She is a member of the Civil Air Patrol and a member of the International Organization of Licensed Women Pilots.

Mrs. McNeil had two children and six grandchildren.

Destination for the 1955 air race is Springfield, Mass. 2,787 miles away. They must reach their goal within four days, flying only during daylight hours.

Pilot Sanders, who has entered and finished sucessfully in three previous races, has high hopes of outdistancing other contestants in this year's competition. The plane will be the first off the runway, by virtue of drawing for position. The race will attract some of the nation's top women fliers.

"CHRISTIAN SCIENCE" SUNDAY LESSON TEXT

The glory of God and His power and presence centers the discussion in the sermon on "Christian Science" in all Churches of Christ, Scientist, Sunday.

The Golden Text from Isaiah (40:5) declares, "The glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it."

According to a Bible passage from Matthew (9:2, 6, 7) Jesus asserted the freedom of the palsied man with the words, "Son, be of good cheer; thy sins be forgiven thee." When the scribes doubted this God-given authority over disease, Jesus said to the man, "Arise, take up thy bed, and go unto thine house. And he arose, and departed."

VLM CHRISTIAN CHURCH TO HAVE LAB SCHOOL

Vista La Mesa Christian Church, Massachusetts and University Avenue, will be host to a county-wide Laboratory School for church school teachers of county Christian Churches the week of June 26 to July 1.

The teachers' clinic, sponsored by San Diego County Christian Churches, will be directed by Miss Leta Egan of Los Angeles, state director of children's work. Other prominent children's workers participating in the clinic will be Mrs. Forrest Bradden of Lincoln, Nebraska, and Mrs. Lynette Rhay of Eugene, Oregon.

The Laboratory School will open Sunday, June 26 with an orientation meeting in the Vista La Mesa Church. The schedule for Monday through Friday, July 1 will consist of children's classes taught by the experts and observed by the participating teachers and then evaluations and discussions of the methods used.

Among the teaching experts will be Mrs. Lotta Collins, Pomona, Mrs. Ada Harsin, Los Angeles, Mrs. Ruth Mason, Santa Monica, and Mrs. Marie Newman, Whittier.

Publisher of Former S. D. Daily Journal Buys Paper In Sioux Falls, S. D.

A San Diego newspaperman returned last week to the town where he once sold papers, to buy the publishing organization of the firm he once worked for as a newsboy.

John A. Kennedy, publisher of the former San Diego Daily Journal, this week purchased the Sioux Falls (South Dakota) Daily Argus-Leader, a newspaper of some 55,000 circulation. The Journal was merged with the San Diego Union-Tribune in 1950.

Kennedy bought the San Diego Journal from Clint McKinnon in 1947 and operated it as an outspoken, liberal voice of labor, the Democratic Party, and the downtrodden.

He later bought television station KFMB together with its radio outlet, which he since sold.

Kennedy, who will move to Sioux Falls, while maintaining a residence in San Diego, was born in St. Paul in 1890 but moved to Sioux Falls in 1900 and was a carrier boy for the Sioux City Journal and a cub reporter on the Sioux City Tribune.

He received a B.A. at Coe College at Cedar Rapids, Iowa, after World War I and worked, while at college, on the Cedar Rapids Republican and Gazette.

Kennedy became a reporter for the Washington Herald in 1922 while doing graduate work at Georgetown University. He attended Georgetown Law School and National University Law School for two years at each and received a Bachelor of Laws degree from the latter.

He is a member of the bar in the District of Columbia and the State of Iowa.

While Kennedy worked as a Herald reporter, W. R. Hearst bought the newspaper and in 1923, Kennedy was assigned the job of organizing and directing a news gathering group investigating the Veterans Bureau. This led to a veterans' inquiry and the conviction of the veterans' director. The Teapot Dome and Elks Hills Oil Scandals also came under his news group study. In 1926 Kennedy was placed in charge of the legislative effort to obtain Congressional passage of the bill to build Boulder Dam. The bill was passed in 1928. In 1929 he received the Pugsley Award for "outstanding work as a Washington correspondent" as a result of his stories on lobbying.

He was commissioned a lieutenant colonel in 1940 and spent two years in South and Central America for the State and Navy Departments. In 1942 he joined the predecessor of the War Production Board as chairman and state director for West Virginia, then later director of a three state district.

He returned to the navy in 1942, was promoted to commander, then captain in 1943 and assigned as staff member to various theaters. In 1945 he was made personal assistant to Navy Secretary James Forrestal. He went on inactive duty in 1946 after a world tour with the late secretary, and after being involved in the Bikini bomb test.

Kennedy has five children. He will take over his new publication July 1.

LA MESA WRITERS CLUB TO MEET IN EL CAJON

The La Mesa Writers Club will hold its monthly meeting Monday in Friendship Hall, El Cajon. The meeting will start at 1:30 p.m. There will be no board meeting.

Guest speaker will be John Davis, adult education principal, of Grossmont. He will speak on "Adult Education."

Visitors are welcome.

Women of St. Philip's To Have Bake Sale

The Woman's Auxiliary of St. Philip's Episcopal Church will hold a Bake Sale of toothsome home cooked foods on Saturday, July 2, just in time for the Fourth, at Carr's Hhardware Store from 9 a.m. until noon.

Today is the card party and dessert luncheon at noon at the church rooms, Palm and Hardy, Lemon Grove. Plenty of table and door prizes. Come and bring your friends. This is the first of the summer series.

During the summer, the 9:30 service will be for the family. The nursery will be open for children three and under. All other children will attend church with their parents, as there will be no formal Sunday School classes until autumn.

CUB PACK 318 TO DISCUSS 'SUMMER SAFETY'

Cub Pack 318, sponsored by the Lemon Grove Congregational Church, and under the leadership of Robert Wilber, Cubmaster, will hold their monthly pack meeting Friday at Friendship Hall.

The program for the meeting will be on "Summer Safety." This topic was chosen by the pack committee as an "ounce of prevention," so that the boys will not be injured this summer.

Invocation will be by Rev. Bruno Pueschel. Presentation of the colors will be by Den 8, Mrs. Mary Gobble, den mother. C. W. Skinner, committee chairman, will lead the boys and their parents in a song fest, followed by a movie on "Bicycle Safety," and a talk on the film and other related subjects.

Philip Zeigler, Weblos den leader, will present the achievement awards earned by the boys in the past month. Tie slides will also be awarded to the following boys for selling one or more Cub Scout Circus Ticket Books: David Taylor, Tommy Stubbs, Philip Zeigler, Freddy Michels, Bill Skinner, Larry Lindsley, Mike Rendel, Vincent Ursillo, Norman Johnston and Billy Sperling.

The pack will welcome a new den mother, Mrs. Gerald E. Heath; and Ray Grable and Gerald Heath will join as Bobcats.

The closing ceremony will be put on by the boys of Den 4, Mrs. Betty Lane, den mother. Refreshments will be served by mothers of Den 5, Mrs. Carmine Ursillo, den mother; and Den 4, Mrs. Betty Lane, den mother.

PHILLIP R. SEWARD

FREDERICK D. TOOZE

Two Lemon Grove youths, both Helix students, are in training with the Marine Corps recruit depot.

Phillip Seward is the son of Mr. and Mrs. George Seward of 7002 Mt. Vernon Street. He enlisted in March.

Fred Tooze, son of Mr. and Mrs. Russell Tooze, 2862 Cypress, enlisted in May. He was a letterman at Helix and an outstanding baseball player on the school team.

Both men will be transferred to Camp Pendleton, Oceanside, for combat training when their recruit depot instruction is over.

DR. CAMPBELL ADDRESSES MYASTHENIA GRAVIS GROUP

Dr. M. Brent Campbell addressed the local chapter of the Myasthenia Gravis Foundation last week at the First Presbyterian Church in San Diego.

Dr. Campbell explained the common symptoms of Myasthenia Gravis. The first symptoms are drooping eyelids, double vision and weakness of the mouth and jaw muscles. Respiratory paralysis is an advanced stage which can prove fatal.

Dr. Campbell told of the future plans of research groups attempting to find the cause and cure of this disease.

All Myasthenia Gravis patients are requested to register with the local chapter by calling HR 6-0454.

PASS THE PEACEPIPE

In Canada, a two-century Indian curse on the bridge between Halifax and Dartmouth predicted that "three times the bridge would fall." By last year the bridge had collapsed twice, once during a storm and once of its own accord.

When an $11,000,000 suspension bridge was opened a member of the Indian tribe was on hand to promise that the curse had been lifted.

CHAPTER STATUS GIVEN S. D. M. S. GROUP

SAN DIEGO — The National Multiple Sclerosis Society announced that the San Diego Branch Chapter has been awarded full chapter status. The local society, which has been operating under the jurisdiction of the Southern California chapter in Los Angeles since its organization in November, 1953, has earned this position because of the progress made in local research, rehabilition, patient welfare and educational programs, according to Don S. Stone, chairman of the board of directors.

Multiple Sclerosis, a baffling disease of unknown origin, has afflicted an estimated 250,000 Americans. It primarily attacks its victims in the most productive years of their lives—the 20 to 40 age group—through their central nervous system, creating faluty vision, lack of coordination and paralysis.

Constant research is under way to discover its cause and cure. The local society will continue its research, rehabilitation and educational program with the goal of eliminating the mysterious malady which has struck over 2000 persons in the San Diego area.

Dr. Ward W. Woods, chairman of the local chapter's medical advisory board, urges all those afflicted or knowing of anyone who suspects M. S. to call the local society, at BE 4-0388, or contact the office, Room 416, 1017 First Avenue.

CHAIRMEN NAMED FOR TWO UNITS OF FOOTHILLS LEAGUE OF WOMEN VOTERS

The Foothills Day Unit of the League of Women Voters of San Diego has chosen Mrs. Edward Block as chairman for the coming year. Mrs. Harold Walba has been chosen chairman by the Foothills Evening Unit. Each unit selects its own chairman for the coming year and presents her name to the general board. After checking to see that she fulfills the non partisanship requirements of the league, the board then gives its approval.

Mrs. James Crouch has been chairman of the Day Unit for the past year, and Mrs. Kniss, the Evening Unit.

The last meeting of the year of the Foothills Evening Unit will be held Tuesday, June 14 at 8 p.m. at the Fireplace Room of the La Mesa Junior High School.

WATER WORKS TO START EL CAJON HOOK UP IN JULY

N. P. Van Valkenburg, contracting firm of Southgate, has been awarded the line contract and tanks will be installed by the Pittsburgh - Des Moines Steel Company of Los Angeles as part of the $2,300,000 project of the local water works to serve the newly annexed El Cajon Valley area.

Twenty-three hundred bonds are being signed by R. M. Levy, president, and Mrs. Margaret Penry, secretary of the La Mesa, Lemon Grove and Spring Valley Irrigation District. These are the bonds voted by the El Cajon Valley Irrigation District, which has since annexed to the La Mesa District.

The $2,300,000 the bonds represent will be delivered to James Squire, treasurer, and Byron Miller, business manager of the district to be used to build the water system to serve 6730 acres of land formerly in the El Cajon Valley Irrigation District. Actual work is expected to get underway on the project early in July. Present plans of the district call for completing the entire system by the end of next January, Robert Wilkin, project engineer, said.

Lemon Grove Review

Dear Max:

We thought you might be interested to know of our recent expurience with the results gained from newspaper advertising.

We ran an ad in the Review and Bulletin, advertising a new Fly Bait preparation we had to sell. The response to that ad was truly amazing. We sold something over sixty one-pound cans in one week end. We asked a great many if they had read the ad and found that that was the reason for their coming in to the store.

We give you this little testimonial because as a business man with a limited advertising budget we are always on the lookout for the best medium of advertising. We think we've found it.

Very truly yours,
Channing P. Mason

'Boosters' Elect Neta Alvord President

The Boosters, the Women's Auxiliary of the San Diego Racing Association, held election of officers Monday night at the home of Mr. and Mrs. Jack Alvord, 4270 Blackton Drive, La Mesa.

The following were elected for the ensuing year: Neta Alvord, president (second term); Fay Holes, vice president; Donna Fountain, secretary; Gen Riney, treasurer; Betty Chappell, publicity and historian.

The group meets every other week in the Alvord home. The next meeting will be June 27.

The Boosters, of which there are about 60 members, are set up to help the jalopy racers of the San Diego Stadium. There are some 500 members of the racing association. The ladies do the leg work, such as arranging for social times, trophies and helping the younger set understand safer driving. There are several members of the Boosters and the racing association who are living in the Spring Valley area, according to Mrs. Chappell, publicity chairman.

ORDINANCE NO. 3
AN ORDINANCE AMENDING ORDINANCE NO. 2 TO ESTABLISH A SPECIAL CONNECTION FEE IN A PORTION OF THE LEMON GROVE SANITATION DISTRICT

The Board of Supervisors of the County of San Diego, as and constituting the Board of Directors of the Lemon Grove Sanitation District, do ordain as follows:

Section 1. Ordinance No. 2 of the Lemon Grove Sanitation District is hereby amended by adding thereto Article IV-A reading as follows:

ARTICLE IV-A
SPECIAL CONNECTION FEE

Section 35. The properties described in this Article are located within or are proposed to be annexed to the District and are adjacent to a sewer line of the District. A connection fee is hereby established for the connection of each building or dwelling required by the Health and Safety Code of the State of California or Ordinance No. 1254 New Series, of the County of San Diego, to have plumbing located on any of the property described in this Article to the District's sewer system. The amount of said connection fee is set forth following the description of the property.

Section 35.1. Lot 402 of La Mesa Country Club Tract No. 8.

All of Lot 402 and that portion of Golf Street adjacent to said lot on the Southwest according to Map No. 2034 of La Mesa Country Club Tract No. 8 filed in the Recorder's Office of San Diego, State of California, more particularly described as follows:

1. Beginning at the point of intersection of the Southwesterly prolongation of the Southeasterly line of Lot 402 of said Map No. 2034 with the Southwesterly line of Golf Drive as shown on said Map No. 2034, being also a point on the boundary of the Lemon Grove Sanitation District, thence N 31°54' W (Record N 32° 07' W) along said Southwesterly line of Golf Drive to the intersection with Southwesterly prolongation of the Northwesterly line of said Lot 402;

2. Thence N 64°13' E along said prolongation and along said Northwesterly line of said lot 402 to the Northeasterly line thereof;

3. thence S 33°47' E 100 feet along said Northeasterly line of said Lot 402 to the Southeasterly line thereof;

4. thence S 64°13' W along said Southeasterly line of said Lot 402 and along its Southwesterly prolongation to the point of beginning.

The connection fee for property described in this Section is $400.00.

Section 36. PAYMENT OF CONNECTION FEE. The fees described by this Article shall become owing, due and payable at the same time and shall be paid in the same manner as the connection fee imposed by Article III of this Ordinance.

Section 36.1. FEES ARE IN ADDITION TO OTHER FEES. The fees prescribed by this Article are in addition to any other fees for connection to sewer lines within the District, including but limited to those fees established or to be collected pursuant to Ordinance No. 1304 (New Series) of the County of San Diego and those fees established by Article III of this Ordinance.

Section 2. EFFECTIVE DATE. This ordinance shall take effect thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage it shall be published once, with the names of the members voting for and against the same, in the Lemon Grove Review, a newspaper of general circulation published in the County of San Diego and in the Lemon Grove Sanitation District.

EASEMENT in Lot 13 of Rancho Mission, L. S. Map 249, said easement being the Northerly 8 feet of the Westerly 330 feet of the Easterly 660 feet of said Lot 13.

EASEMENT in Lots 13 and 19 of Rancho Mission, S. C. Map 348, said easement being a strip of land 8 feet wide, the Northeasterly line of said strip being described as follows: Beginning at a point in the Northerly line of said Lot 13, distant 660 feet Westerly, along said Northerly line, from the Northeasterly corner of said Lot 13; thence North 48°01' West, 191.74 feet to a point in the Southeasterly line of Federal Boulevard, distant along said Southeasterly line 179.41 feet Northeasterly from the Southerly line of said Lot 19.

That said Board hereby determines and declares that the County of San Diego shall contribute the sum of $250.00 toward payment of the cost of the work hereinabove described.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, bearing project number 76-2432, contained in Document No. 182828, on file in the office of the Clerk of the Board of Supervisors of San Diego County, and copies of which are on file in the office of Jean L. Vinceng, Director of Public Works, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the recordation of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Board of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain Map bearing project number 76-2432 entitled "Plat showing the extent of the territory benefited by and to be assessed to pay the costs and expenses of the construction of sewers in Central Avenue, et al, in a portion of the Unincorporated Area of the County of San Diego, Area No. 26," in the vicinity of Lemon Grove, indicating the exterior boundary lines of said district, which map, approved by the Board, is on file in the office of Jean L. Vinceng, Director of Public Works, 4995 Rosecrans, San Diego, California, and a copy of which is on file in the office of the Clerk of this Board as Document No. 182828, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of said district.

That it is the opinion of said Board that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 28th day of June, 1955, at 11:00 o'clock a.m., in the Board of Supervisors' chamber in the City and County Administration Building, 1600 Pacific Highway, in the City of San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors in Room 308 in the City and County Administration Building. No other protests or objections will be considered.

That the Clerk of the Board of Supervisors be, and she is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review hereby designated for that purpose by the Board of Supervisors.

That the Clerk of the Board of Supervisors be, and she is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to the Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of the Board of Supervisors shall, upon completion of the mailing of said notices, file with the Board of Supervisors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

That the Director of Public Works shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Director shall cause to be filed in the office of the Clerk of the Board of Supervisors, an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendments thereto.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 7th day of June, 1955, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, Austin and Howell
NOES: Supervisors None
ABSENT: Supervisors None

FROM MAYFAIR'S PRESIDENT

Recently a customer wrote from Sacramento to say that she was happy to see a Mayfair Market open in that area. She had recently moved from San Diego, where she had always been a Mayfair customer, and now she felt just like an old friend had come to town.

It's vacation time, and many of our customers will be visiting throughout the state. We invite you to look up your friendly Mayfair Market.

P.S.Yes' Yosemite visitors, remember the big Mayfair at Blackstone and Shields in Fresno.
